

One-Hour Easy QuickBooks Training Seminars For Business Owners

Who should attend?

- Anyone who keeps their own books who has that creepy feeling that they are probably not doing it right
- Anyone who keeps their own books and whose accountant has to "fix" them every year
- Anyone who keeps their own books and can't make any sense out of the resulting reports
- Anyone who is *supposed* to keep their own books but who has yet to figure out how to use the QuickBooks program
- Any employee/spouse/indentured servant who is supposed to keep the books for the company and needs to learn how to do so
- Anyone who is trying to decide if they are even capable of keeping their own books
- Anyone starting a business who will have to keep their own books at first

Three One-Hour Seminars:

- Accounting Principles You Must Understand
- Accounts Payable
- Accounts Receivable

Choose one, two, or all three seminars
